

Mint of the United States at Philadelphia, Pa.,

SUPERINTENDENT'S OFFICE,

July 26th 1893.

Mr. Paul Blackmar,

Superintendent of Admissions,

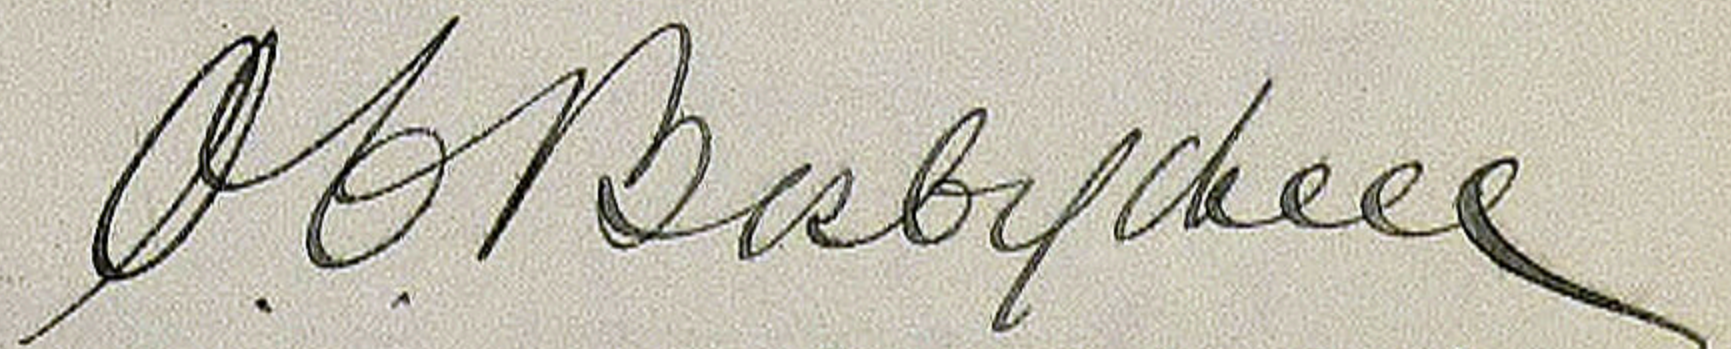

World's Fair, Chicago, Ill.

Dear Sir:-

Your letters of 21st and 22nd inst received, the latter this morning. As we have no monthly passes in the Mint Exhibit I did not deem it necessary to reply to yours of the 21st inst. I telegraphed you this morning relative to the full term photographic passes giving the list, Nathan S. Beekley, Robert A. McClure Thomas S. Keyser and myself, and requested you to cancel the others issued in behalf of the Mint Exhibit. These others are Thomas Grace, Samuel James, Sebastian Heim and John Elvidge. These latter were obliged to be there the first month of the Exposition but as the reasons for their presence have expired, there is no need to ask a continuance of their passes. This cancellation will leave but four passes.

I am not there personally all of the time, but required to be there whenever called upon.

Very respectfully yours,

Superintendent.
